

RAFIU MOSHOOD OLAKUNLE

SOFTWARE DEVELOPER

PROFILE

I am a creative and ambitious web developer and programmer with a talent for critical reasoning, problem solving and time management. I am currently in my fourth year of studying Electronic and Computer Engineering at Lagos state University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people and I am eager to be challenged so as to develop and also improve my skills. My passion is to provide solutions to problems that in turn benefits both individuals and organizations.
